Appropriations as shown are after supplemental appropriations, transfers, and reprogrammings.

¹ The STEM Education (EDU) account was previously known as Education and Human Resources (EHR) until FY 2022.

² The Major Research Equipment and Facilities Construction (MREFC) account was previously known as Major Research Equipment (MRE) until FY 2002.

³ The Agency Operations and Award Management (AOAM) account was known as Salaries & Expenses (S&E) until FY 2008.

⁴ FY 2018 appropriations include Additional Supplemental Appropriations for Disaster Relief Requirements Act of 2018 (P.L. 115-123), which provided NSF \$16.30 million in no-year funding to repair radio observatory facilities damaged by hurricanes that occurred during 2017.

⁵ FY 2020 appropriations include Coronavirus Aid, Relief, and Economic Security Act (CARES Act) supplemental appropriations (P.L. 116-136), which provided NSF \$76.0 million in two-year funding (\$75.0 million to the R&RA account and \$1.0 million to the AOAM account) to prevent, prepare for, and respond to coronavirus, domestically or internationally, including to fund research grants and other necessary expenses. NSF subsequently transferred \$5.0 million from the R&RA account to the EHR account for these purposes.

⁶ FY 2021 Appropriations exclude the \$600.0 million in American Rescue Plan Act of 2021 (ARP) (P.L. 117-2) supplemental two-year appropriations to fund or extend new and existing research grants, cooperative agreements, scholarships, fellowships, and apprenticeships, and related administrative expenses to prepare for, and respond to coronavirus.

⁷ FY 2022 Appropriations are Enacted appropriations. MREFC Enacted account level excludes \$25.0 million in one-time funding for necessary expenses related to RCRV construction impacted by Hurricane Ida as provided in P.L. 117-43, the "Extending Government Funding and Delivering Emergency Assistance Act." Full information on transfers and reprogrammings were not available at the time of printing.
