

**DEPARTMENT OF ENERGY  
STANDARD RESEARCH TERMS AND CONDITIONS  
AGENCY SPECIFIC REQUIREMENTS  
November 2020**

The Standard Research General Terms and Conditions (T&Cs) are modified as follows:

**1. Awards Covered by the Standard T&Cs**

These terms and conditions are applicable to new and renewal research and research-related grants and cooperative agreements to all non-Federal entities.

**2. Prior Approval Requirements Not Included in the Standard T&Cs**

Unless specified in the award, no additional prior approvals are required.

**3. Contact Information for Technical Matters**

Questions regarding technical matters should be referred to the DOE Project Officer identified in the Award.

**4. Contact Information for Administrative Matters**

Questions regarding administrative matters should be referred to the Contracting/Grant Officer or Award Administrator identified in the Award.

**5. Payments**

Unless otherwise specified in the award document, payments will be made by advance through the Department of Treasury's Automated Standard Application for payments (ASAP) System.

**6. DOE Special Terms and Conditions and Website**

Additional terms and conditions of the award are located in the DOE Special Terms and Conditions. A copy of the Special Terms and Conditions, as well as, additional information can be found at <http://energy.gov/management/office-management/operational-management/financial-assistance/financial-assistance-forms>.
