MEMORANDUM

TO: National Science Foundation, Division of Acquisition and Cooperative Support
National Science Foundation Acquisition Workforce

FROM: Patrick K. Breen
Senior Procurement Executive

SUBJECT: FAR Class Deviation for FAR Part 26 in Support of Executive Order 14275 on Restoring Common Sense to Federal Procurement

PURPOSE: This memorandum approves a class deviation to Federal Acquisition Regulation (FAR) part 26 for purposes of implementing the Federal Acquisition Regulatory Council's (the Council's) model deviation text to FAR Part 26.

BACKGROUND: On April 15, 2025, the [Executive Order \(E.O.\) 14275 on Restoring Common Sense to Federal Procurement](#) was signed. Section 2 of the E.O. establishes the policy that the FAR "should only contain provisions required by statute or essential to sound procurement, and any FAR provisions that do not advance these objectives should be removed."

The FAR is being updated to:

- Remove language that is not required by statute
- Remove duplicative or outdated language
- Clarify or provide more plain language
- Align with the new FAR framework
- Preserve essential governmentwide acquisition standards.

This project is referred to as the Revolutionary FAR Overhaul (RFO) initiative. This initiative will focus on core procurement requirements.

SUMMARY OF CHANGES: FAR part 26, Other Socioeconomic Programs, has been reorganized within each subpart to follow the acquisition process (i.e., steps to take

before solicitation vs. after award). This new structure makes it easier and faster to find the needed information at each stage of a procurement.

Statutory requirements retained in the RFO FAR part 26 model deviation include, but are not limited to, the following:

- 6 U.S.C. § 796, Registry of Disaster Response Contractors
- 25 U.S.C. § 1544, Additional Compensation to Contractors of Federal Agency
- 41 U.S.C. §§ 8101 et seq, Drug Free Workplace
- 42 U.S.C. § 1792, Promoting Federal Food Donation
- 42 U.S.C. § 5150, Use of Local Firms and Individuals
- Pub. L. 100-707 (42 U.S.C. §§ 5121 et seq), Robert T. Stafford Disaster Relief and Emergency Assistance Act
- Pub. L. 114-328 Section 816, Amendments to Special Emergency Procurement Authority
- Pub. L. 114-328 Section 1641, Special Emergency Procurement Authority to Facilitate the Defense Against or Recovery from a Cyber Attack.
- E.O. 12928, Promoting Procurement with Historically Black Colleges and Universities, and Minority Institutions
