MEMORANDUM

TO: National Science Foundation, Division of Acquisition and Cooperative Support
National Science Foundation Acquisition Workforce

FROM: Patrick K. Breen
Senior Procurement Executive

SUBJECT: FAR Class Deviation for FAR Part 38 in Support of Executive Order 14275 on Restoring Common Sense to Federal Procurement

PURPOSE: This memorandum approves a class deviation to Federal Acquisition Regulation (FAR) part 39 for purposes of implementing the Federal Acquisition Regulatory Council's (Council's) model deviation text to FAR part 38.

BACKGROUND: On April 15, 2025, the [Executive Order \(E.O.\) 14275 on Restoring Common Sense to Federal Procurement](#) was signed. Section 2 of the E.O. establishes the policy that the FAR "should only contain provisions required by statute or essential to sound procurement, and any FAR provisions that do not advance these objectives should be removed."

The FAR is being updated to:

- Remove language that is not required by statute
- Remove duplicative or outdated language
- Clarify or provide more plain language
- Revise language for the new FAR framework
- Retain language necessary for governmentwide acquisition standards.

This project is referred to as the Revolutionary FAR Overhaul (RFO) initiative.

SUMMARY OF CHANGES: FAR part 38, Federal Supply Schedule Contracting, is removed in its entirety. Guidance and procedures for the Schedule program will be moved from FAR part 38 and subpart 8.4 to GSAR part 538.

INSTRUCTIONS: The NSF acquisition workforce shall follow the RFO part 38 model deviation text instead of FAR part 38 as codified at 48 CFR chapter 39. The Council's RFO part 38 model deviation text is available at Acquisition.gov, under "[FAR Overhaul](#)", and is incorporated into this class deviation.

Review templates and related standard operating procedures to align with this deviation and remove unnecessary processes or steps.

APPLICABILITY: This class deviation applies to all NSF procurement actions.

AUTHORITY: This class deviation is issued under the authority of EO 14275, [OMB Memo M-25-26](#), 48 CFR 1.4, and RFO FAR 1.304.

EFFECTIVE DATE: This deviation is effective as dated and shall remain in effect until it is incorporated into the FAR, or until this class deviation is rescinded, extended, or amended.

POINT OF CONTACT: Contact Raymond McCollum at 703-292-4225 or rmccollu@nsf.gov.
