## MEMORANDUM

TO: National Science Foundation, Division of Acquisition and Cooperative Support  
National Science Foundation Acquisition Workforce

FROM: Patrick K. Breen  
Senior Procurement Executive

SUBJECT: FAR Class Deviation for FAR Part 44 in Support of Executive Order 14275 on Restoring Common Sense to Federal Procurement

PURPOSE: This memorandum approves a class deviation to Federal Acquisition Regulation (FAR) part 44 for purposes of implementing the Federal Acquisition Regulatory Council's (the Council's) model deviation text to FAR Part 44.

BACKGROUND: On April 15, 2025, the [Executive Order \(E.O.\) 14275 on Restoring Common Sense to Federal Procurement](#) was signed, mandates a comprehensive review and simplification of the FAR.

The FAR is being updated to:

- Remove language that is not required by statute
- Remove duplicative or outdated language
- Clarify or provide more plain language
- Align with the new FAR framework
- Preserve essential governmentwide acquisition standards.

This project is referred to as the Revolutionary FAR Overhaul (RFO) initiative.

SUMMARY OF CHANGES: FAR part 44, Subcontracting Policies and Procedures, has been updated to create a more agile, risk-based, and efficient system that empowers

contracting officers, reduces administrative burdens on contractors, and encourages broader participation from the commercial sector.

Statutory requirements and presidential directives retained in the RFO FAR part 44 model deviation include, but are not limited to, the following:

- 10 U.S.C. § 3322(c) and 41 U.S.C. § 3905(c), Advance Notice of Certain Subcontracts
- 41 U.S.C. § 3307, Preference for Commercial Products and Commercial Services

Change	Description
Retained	<ul style="list-style-type: none"> <li>• The revised part <b>structure consolidates</b> relevant guidance into <b>process-oriented</b> subparts:               <ul style="list-style-type: none"> <li>○ Subpart 44.1 - <b>Reserved</b></li> <li>○ Subpart 44.2 - <b>Evaluation and Award</b></li> <li>○ Subpart 44.3 - <b>Postaward</b></li> <li>○ Subpart 44.4 - <b>Subcontracts for Commercial Products and Commercial Services</b></li> </ul> </li> <li>• “<b>Most of the “Definitions”</b>”, now at section 44.001 are <b>retained</b> with only minor, non-substantive wording changes, with the exception of “approved purchasing system”. This definition can still be found at clause 52.244-2.</li> <li>• Subpart 44.2 has been significantly streamlined to <b>consolidate policies related to subcontract consent, advance notification, and the contracting officer's evaluation process</b>.               <ul style="list-style-type: none"> <li>○ The previous section 44.202-2(a) contained a detailed, 13- point checklist of considerations that the contracting officer was required to consider "at a minimum" for every consent request. Now, the new 44.201-3(b) provides a shorter, higher-level list of four situations that necessitate "careful and thorough review and consideration" of the request to subcontract.</li> <li>○ Note that the FAR Companion Guide is expected to provide additional guidance on notice and consent best practices for commercial time and materials contracts.</li> </ul> </li> <li>• Subpart 44.3 is <b>reorganized and streamlined</b> into five subsections (from seven separate sections):               <ul style="list-style-type: none"> <li>○ 44.301-1 Objective</li> <li>○ 44.301-2 Requirements</li> <li>○ 44.301-3 Responsibilities for granting, withholding or withdrawing approval</li> <li>○ 44.301-4 Notice</li> <li>○ 44.301-5 Withholding or withdrawing approval</li> </ul> </li> </ul>

	<ul style="list-style-type: none"> <li>• Section 44.402 now breaks down “<b>Requirements</b>” into three distinct categories that improve readability: <ul style="list-style-type: none"> <li>○ <b>Preference</b> (for commercial products and services)</li> <li>○ <b>Flowdown</b> (rules for flowing down clauses)</li> <li>○ <b>Inapplicable laws</b> (laws that do not apply to commercial products and services)</li> </ul> </li> <li>• The following <b>clauses are retained</b> (or remain reserved if previously reserved) <b>with no changes to the text</b>. <ul style="list-style-type: none"> <li>○ 52.244-1 Reserved</li> <li>○ 52.244-2 Subcontracts</li> <li>○ 52.244-3 Reserved</li> <li>○ 52.244-4 Subcontractors and Outside Associates and Consultants (Architect-Engineer Services)</li> <li>○ 52.244-5 Competition in Subcontracting</li> </ul> </li> <li>• The following <b>clause is retained, with streamlining updates</b> to reflect other RFO changes and references. <ul style="list-style-type: none"> <li>○ 52.244-6 Subcontracts for Commercial Products and Commercial Services</li> </ul> </li> </ul>
<b>Removed</b>	<ul style="list-style-type: none"> <li>• The use of <b>Administrative Contracting Officer (ACO)</b> is no longer used as a designation. The part now reflects “Contracting Officer” where ACO was previously shown.</li> <li>• The <b>requirements for Contractor Purchasing System Reviews (CPSR) are significantly streamlined</b> to remove overly prescriptive conditions. <ul style="list-style-type: none"> <li>○ “Extent of Review”, with its 11 special attention areas, is removed (former section 44.303).</li> <li>○ “Reports”, with its distribution requirements, is removed (former section 44.307).</li> </ul> </li> </ul>

This table is not an exhaustive list.

INSTRUCTIONS: The NSF acquisition workforce shall follow the RFO part 44 and corresponding 52 model deviation text instead of FAR part 44 as codified at 48 CFR Chapter 1. The Council’s RFO part 44 model deviation text is available at [Acquisition.gov/far-overhaul](https://www.acquisition.gov/far-overhaul), and is incorporated into this class deviation.

For new solicitations or contracts, when using any provisions or clauses that have been revised, utilize the RFO model deviation language at [RFO FAR part 52](#).

For open solicitations or awarded contracts, the contracting officer has discretion regarding the need to enforce or amend the provisions or clauses. Note that without some of the removed provisions or clauses, the contracting officer may be required to separately address certain aspects in the contract.

Contracting activities must review templates and related standard operating procedures to align with this class deviation and remove unnecessary processes and steps.

APPLICABILITY: This class deviation applies to all NSF procurement actions.

AUTHORITY: This class deviation is issued under the authority of EO 14275, [OMB Memo M-25-26](#), 48 CFR 1.4, and RFO FAR 1.304.

EFFECTIVE DATE: This deviation is effective on the date of this letter and shall remain in effect until it is incorporated into the FAR, or until this class deviation is rescinded, extended, or amended.

POINT OF CONTACT: Contact Raymond McCollum at 703-292-4225 or [rmccollu@nsf.gov](mailto:rmccollu@nsf.gov).
