

U.S. National Science Foundation Pathways to Enable Secure Open-Source Ecosystems (PESOSE) Submission Logistics Webinar

Presented by the Office of the Chief Information Officer

August 2026

Presenters

Stephanie Yee

Office of the Chief Information Officer

syee@nsf.gov

Agenda

- 1 Before You Start Your Proposal in Research.gov
- 2 Senior/Key Personnel Documents
- 3 Data Management and Sharing Plan (DMSP) Updates
- 4 PESOSE specific requirements
- 5 Research.gov Proposal Preparation Features & Demo
- 6 Proposal Submission
- 7 How Proposers Check Submitted Proposal Status
- 8 How to Get Help & IT Service Desk Reminders
- 9 Information Resources & Contacts for Questions

PESOSE Proposals Can be Submitted in Research.gov or Grants.gov

- NSF Pathways to Enable Secure Open-Source Ecosystems (PESOSE) [Program Solicitation 26-506](#)
- **Next Full Proposal Deadline:** Tuesday September 1, (5:00 p.m. **submitting organization's** local time)
- **Full Proposals submitted via Research.gov:** NSF [Proposal & Award Policies & Procedures Guide](#) (PAPPG), *Supplemental policy notices* [NSF 26-200](#) and [NSF 26-202](#) (PAPPG) guidelines apply
- **Full proposals submitted via Grants.gov:** NSF [Grants.gov Application Guide](#) ([NSF 24-006](#)) guidelines apply. See the appendix for additional guidance

NSF 26-506: Pathways to Enable Secure Open-Source Ecosystems (PESOSE)

Directorate for Computer and Information Science and Engineering
Directorate for STEM Education
Directorate for Engineering
Directorate for Geosciences
Directorate for Mathematical and Physical Sciences
Directorate for Social, Behavioral and Economic Sciences
Directorate for Technology, Innovation and Partnerships

Full Proposal Deadline(s) (due by 5 p.m. submitting organization's local time):

September 01, 2026

First Tuesday in September, Annually Thereafter

March 02, 2027

First Tuesday in March, Annually Thereafter

TABLE OF CONTENTS

[Summary of Program Requirements](#)

[I. Introduction](#)

[II. Program Description](#)

[III. Award Information](#)

[IV. Eligibility Information](#)

[V. Proposal Preparation and Submission Instructions](#)

[VI. NSF Proposal Processing and Review Procedures](#)

[VII. Award Administration Information](#)

[VIII. Agency Contacts](#)

[IX. Other Information](#)

Proposal Submission Timeline

NSF strongly encourages Principal Investigators (PIs) and organizations to follow the [Supplementary Proposal Submission Timeline](#) guidance

Proposals submitted after the deadline will not be accepted or will be returned without review unless the submission meets the special exceptions to NSF's deadline date policy per PAPPG [Chapter I.F.](#)

Timeline includes both account management and proposal submission milestones and is applicable to proposals submitted in Research.gov and Grants.gov

Supplementary Proposal Submission Timeline Guidance for Proposers

This supplementary guidance for proposers provides a timeline and walkthrough of the key account management and other milestones that must be completed in order to submit a proposal to the U.S. National Science Foundation. Be sure to aim to complete these milestones early to allow time to resolve any problems in advance of your proposal submission deadline and to avoid high volume delays at the NSF IT Service Desk.

All NSF proposals must be submitted in Research.gov or Grants.gov in accordance with the instructions for the specific funding opportunity. See the [Resources](#) listing at the end of this guide for additional information.

Guidance Contents

I do not have an NSF ID and a Principal Investigator role to start preparing my proposal.....	page 2
I have an NSF ID but have not signed into Research.gov for an extended period of time.....	page 2
Proposal submission timeline.....	page 3
My organization does not have a SAM Unique Entity ID (UEI) number or has an inactive UEI number.....	page 4
My organization must establish or change the organizational Administrator.....	page 5
My organization needs to register with NSF.....	page 5
My newly registered organization must establish an Authorized Organizational Representative (AOR) to submit proposals	page 5
Resources.....	page 6

Questions

- For IT system-related questions, please contact the NSF IT Service Desk at 1- 800-381-1532 (7:00 AM - 9:00 PM Eastern Time; Monday - Friday except federal holidays) or rgov@nsf.gov.
- For [SciENCy](#) technical questions related to the Biographical Sketch and Current and Pending (Other) Support sections of the proposal, please contact the National Institutes of Health (NIH) Help Desk (7:30 AM – 5:30 PM Eastern Time, Monday through Friday except for federal holidays) at NLMSciency@mail.nih.gov or create a ticket at <https://support.nlm.nih.gov/support/create-case/>. The NIH Help Desk cannot be reached by telephone.
- Program-related questions should be directed to the cognizant Program Office.

of the Chief Information Officer, May 2025

Before You Start Your Proposal in Research.gov or Grants.gov

Proposal Submission Timeline:

Account Management Milestones – Register your organization with NSF

- **To apply,** Organizations must be registered with NSF to submit proposals to NSF in Research.gov.
- **Before a new organization can register with NSF,** it must first register in the System for Award Management (SAM) and obtain a SAM-issued Unique Entity ID (UEI).
- **Refer to [Pathways to Enable Secure Open-Source Ecosystems \(PESOSE\) Program Page](#)** for additional information. See the [Register a New Organization with NSF video tutorial](#) for a walk-through of steps.
- **Any subrecipient named in a proposal is also required to obtain a SAM.gov-issued UEI and register the organization with NSF.** Subrecipient(s) named in the proposal, however, do not need to go through the full UEI registration in SAM.gov.

Key Milestone Summary – Registering a New Organization at NSF via Research.gov

Suggested # of Days Before Deadline	Suggested Date	Milestone or Action
15 business days	Tuesday, August 11, 2026	✓ New organization registers in SAM and obtains a SAM UEI (Administrator role)
15 business days	Tuesday, August 11, 2026	✓ New organization checks SAM.gov to see if registration is active (Administrator role)
10 business days	Tuesday, August 18, 2026	✓ New organization registers with NSF (Administrator role)

Quick Tip: Only listed POCs listed on SAM.gov can perform these steps for a NEW to NSF organization

Proposal Submission Timeline: *Account Management Milestones – Obtaining roles with NSF*

Each Person must have an NSF account (NSF ID)

Minimum Required Roles in this order: Administrator, Principal Investigator (PI), Authorized Organizational Representative (AOR)

- **Required PI Role:** To begin a proposal in Research.gov, at least one person needs an organization-approved PI role affiliated with an organization registered with NSF.
- **Required AOR Role:** At least one person needs an organization-approved Authorized Organizational Representative (AOR) role to submit proposals to NSF.
- **Optional OAU Role:** This person must be assigned per proposal and can edit and prepare application.

Key Milestone Summary – *Registering a New Organization with NSF via Research.gov*

Suggested # of Days Before Deadline	Suggested Date	Milestone or Action
15 business days	Tuesday, August 11, 2026	✓ Users with existing NSF accounts confirm their account (NSF ID) is active and does not have any account issues (e.g., suspended or is in danger of being suspended due to multiple accounts associated with one email address) (PI and AOR role)
15 business days	Tuesday, August 11, 2026	✓ New users (prospective PIs) register for an NSF account and request a PI role (PI role)
10 business days	Tuesday, August 18, 2026	✓ PI role request approved by organization's Administrator (Administrator role)

Registering a Subrecipient Organization with NSF

After the following two steps are complete,
the subrecipient organization may be added to a proposal with the subrecipient UEI.

Step 1: Subrecipient must obtain a SAM-issued UEI:

- A subrecipient without a UEI must go to [SAM.gov](https://sam.gov) and select the green Get Started button on the "Register Your Entity or Get a Unique Entity ID" section in the upper right side of the page. Please note, the information required for obtaining a UEI is minimal (organization's legal business name and address) and will be processed relatively quickly.

Step 2A (Optional): Subrecipient may fully register in sam.gov:

- A subrecipient is not required to be fully registered with sam.gov, however, if you register, **you can skip step 2B**
- May provision roles (minimum administrator, PI)

Step 2B: Subrecipient must contact the NSF IT Service Desk to register a subrecipient organization with NSF:

- Once the subrecipient obtains the UEI through SAM.gov, the subrecipient must submit a request to the NSF IT Service Desk at <https://now.nsf.gov/research> to register the organization with NSF. When the subrecipient communicate with the NSF IT Service Desk, inform the technician that this is a subrecipient requiring subrecipient organization registration with NSF. **Please do not attempt to register the subrecipient organization with NSF in Research.gov because the system will not permit the subrecipient registration.** To expediate the process, subrecipients should provide the following information for its subrecipient organization:
 - ROLES CANNOT BE ASSIGNED, CANNOT BE CO-PI
 - **Subrecipient UEI:** Required
 - **Subrecipient Organization Name:** Required
 - **Subrecipient Complete Address** (Including City, State, and Zip): Required
 - **Subrecipient Phone Number:** Optional
 - **Subrecipient POC:** Optional
 - **Email of Subrecipient Organization:** Optional

Proposal Submission Timeline: *Account Management Milestones* – Grants.gov

Key Milestone Summary –
<https://www.grants.gov/applicants/applicant-registration>

Senior/Key Personnel Documents

PESOSE Proposal Submission Timeline: Senior/Key Personnel Documents

- Senior/key personnel documents must be submitted for each individual identified as a senior/key person on the proposal. See [Documents Required for Senior Personnel](#), PAPPG [Exhibit II.3](#), and PAPPG [Chapter II.D.2.h](#).
- Senior/key personnel documents:
 - **Biographical Sketch** (Create and download in SciENcv)
 - **Current and Pending (Other) Support** (Create and download in SciENcv)
 - **Collaborators and Other Affiliations** ([Download COA template](#) and edit in Microsoft Excel)
 - **Synergistic Activities** (Upload one-page PDF. This document is not created in SciENcv)
- Synergistic Activities section was removed from the Biographical Sketch. This information must be uploaded as a separate document in Research.gov. See PAPPG [Chapter II.D.2.h\(iv\)](#)

Key Milestone Summary – Senior/Key Personnel Documents

Suggested # of Days Before Deadline	Suggested Date	Milestone or Action
10 business days	Tuesday, August 18, 2026	✓ Prepare Senior/Key Personnel documents (All individuals designated as a senior/key person on the proposal)

SciENCv Training Resources

- 2** [NSF Current and Pending \(Other\) Support video tutorial](#)
- 3** [SciENCv Help Manual with NSF-specific sections](#)
(includes screenshots and step-by-step instructions)
- 4** [Using SciENCv Frequently Asked Questions](#)

Data Management & Sharing Plan (DMSP) Updates

The New DMSP Process

New Process: Integrated Webform

- A proposal's DMSP is now collected through a webform that is built directly into Research.gov
- The webform will be generated based on the primary Directorate of the proposal selected at the time of proposal creation
- The webform must be completed to submit a proposal unless a justification is provided
- Visit <https://www.research.gov/research-web/content/DMSP> for more information on how to complete the DMSP

Data Management and Sharing Plan
Direct For Social, Behav & Economic Scie

Complete the Data Management and Sharing Plan for the primary Directorate you are applying to, or provide a justification if a detailed Data Management and Sharing Plan is not needed. Refer to the funding opportunity for specific guidance on how to complete this section. This section may not be used to circumvent the Project Description page limit.

☐ A detailed Data Management and Sharing Plan is **not needed** because the project will not produce data or research products, or for another reason that will require a justification.

*** Required**

*** Data and Research Product Categories** Add Data or Research Product Category

Category	Description	Actions
There are currently no Data or Research Product Categories to display. You are required to add at least one category of data or research product, or indicate a detailed plan is not needed.		

Preview/Print Cancel

Begin adding data and/or research by clicking this button

The New DMSP Process

New Process: Integrated Webform

- The values in this form are based on the directorate of the solicitation.
- Most fields do not have pre-defined values, and the user must enter them.
- Visit <https://www.research.gov/research-web/content/DMSP> for more information on how to complete the DMSP

Data or Research Product Category General Information

Select the broad category that best fits the data or research product. If the appropriate category is not available, select 'Add New' (last option) and provide a title and short description for the custom entry. The selection will also determine the options displayed in the 'Data Standards and Metadata' and 'Public Archiving' sections.

*** Data or Research Product Category**

Add New

Add New
Add a user-defined data category

*** Description**

Begin by selecting "Add New", enter title and description. There will not be any predefined values at this time

Solicitation-specific Requirements

PESOSE Solicitation-specific Requirements

The following are highlights of the PESOSE proposal requirements, but this is not an exhaustive list. Please refer to the solicitation for all proposal requirements:

- Separately submitted collaborative proposals are not allowable
- Other Supplementary Documents:
 - **Letters of Collaboration:** Required. Three letters are required, up to 5 may be included, 2 pages max each. Digital certificates/signatures must be removed or flattened.
 - **List of Project Personnel, Collaborators, and Partner Organization:** The list of project personnel, collaborators, and partner organizations should be outlined in tabular format, include (in this order) Full name, Organization(s), and Role in the project. Page cannot exceed 11.5 x 8 or 8x11.5
- **Project Description:**
 - Track One: 7 Pages Max
 - Track Two, three: 15 pages Max

Research.gov Proposal Preparation Features & Demo

Research.gov Proposal Document Upload Reminders

Compliant Fonts Fonts Per PAPPG

Arial, Courier New, or Palatino Linotype
at a font size of 10 points or larger

Times New Roman
at a font size of 11 points or larger

Computer Modern family of fonts
at a font size of 11 points or larger

Line Spacing Warnings Formatting Per PAPPG

There should be no more than six lines
of text within a vertical space of one
inch

Research.gov may have issues with
documents using Arial font size 10.
Issues do not appear for font sizes Arial
10.5 and Arial 11

LaTeX Submissions Troubleshooting Tips

Proposal Submission

Proposal Submission Timeline: Submission Milestones

- Proposers are **strongly** encouraged to submit their proposals well in advance of the deadline to allow time to correct any problems that may occur in the submission process and to avoid high-traffic delays at the NSF IT Service Desk
- A request for a proposal file update will automatically be accepted if submitted prior to the deadline date
- Refer to the [Supplemental information on PESOSE experiential activities and budget](#) for updates

Key Milestone Summary – Proposal Submission

Suggested # of Days Before Deadline	Suggested Date	Milestone or Action
10 business days	Tuesday, August 18, 2026	✓ Organization completes resolution of any SAM.gov certification issues and confirms SAM registration and UEI are active (Administrator role)
5 business days	Tuesday, August 25, 2026	✓ Submit PESOSE proposal in Research.gov or Grants.gov (AOR role)
0 business days	Tuesday, September 1, 2026 (5:00 p.m. submitting organization's local time)	✓ Proposals are due by 5:00 p.m. submitting organization's local time Proposals submitted in Research.gov after the deadline will not be accepted or will be returned without review unless the submission meets the special exceptions to NSF's deadline date policy per PAPPG Chapter I.F.

How Time Zone Is Determined for Proposal Submission

The 5:00 PM submission time is determined by the **submitting organization's time zone**, **NOT** the PI's individual working location

PIs can view their organization's time zone by signing into Research.gov

- Select My Profile at the top of the screen
- Select View My Roles
- Choose the organization
- Select Edit Your Contact Info to view Time Zone field

Edit Your Contact Information

Your information for United States College.

NSF account information is located on [My Profile](#).

* Required

Your Contact Details

* Work Phone Number (222) 222-2222

* Work Email John.doc@abc.com

Your Degree Information

* Highest Degree Type DrPH - Doctor of Public Health

* Degree Year 1989

Your Work Address

* Country United States

* Time Zone [How is Time Zone determined?](#)
America/New_York (GMT-5:00)

* Street Address 123 Test Street

Street Address (Line 2)

Department Name

* City Alexandria

* State Virginia

* Postal Code 22307

Note: A request for a proposal file update will automatically be accepted if submitted prior to the due date. A proposal file update can be initiated by individuals with a PI, SPO, or AOR role.

Grants.gov Proposal Submissions

Grants.gov Proposal Submission Tips

Initiate Grants.gov submissions at least 5 business days before the deadline

This allows time to resolve compliance errors and resubmit by 5:00 p.m. local submitter's time

If a proposal fails post-checks, it must be corrected and submitted in Research.gov

Some errors cannot be fixed in Grants.gov

Proposals must pass all NSF pre-check and post-check validations

Only then will they be accepted and seen by NSF

Receiving confirmation of a Grants.gov Agency Tracking Number does not confirm NSF acceptance of the proposal

[Grants.gov Proposal Processing Page](#)

NSF Proposal Functionality Limitations in Grants.gov

Unless otherwise specified in an NSF solicitation, proposals to NSF may be submitted via [Grants.gov](https://www.grants.gov) or [Research.gov](https://www.research.gov)

Proposers should review the solicitation carefully, as some submissions are **not supported in Grants.gov**

Letters of intent

Planning proposals

Preliminary proposals

Small Business Innovation Research (SBIR) and Small Business Technology Transfer (STTR) proposals

Postdoctoral fellowship proposals with reference letter requirements

Separately submitted collaborative proposals from multiple organizations

Proposals may start in Grants.gov, but **must be completed in Research.gov** due to the following

NEW: Data Management & Sharing Plan effective April 27, 2026

Proposals w/ project data forms for the Directorate for STEM Education (EDU)

Postdoctoral fellowship proposals without reference letter requirements

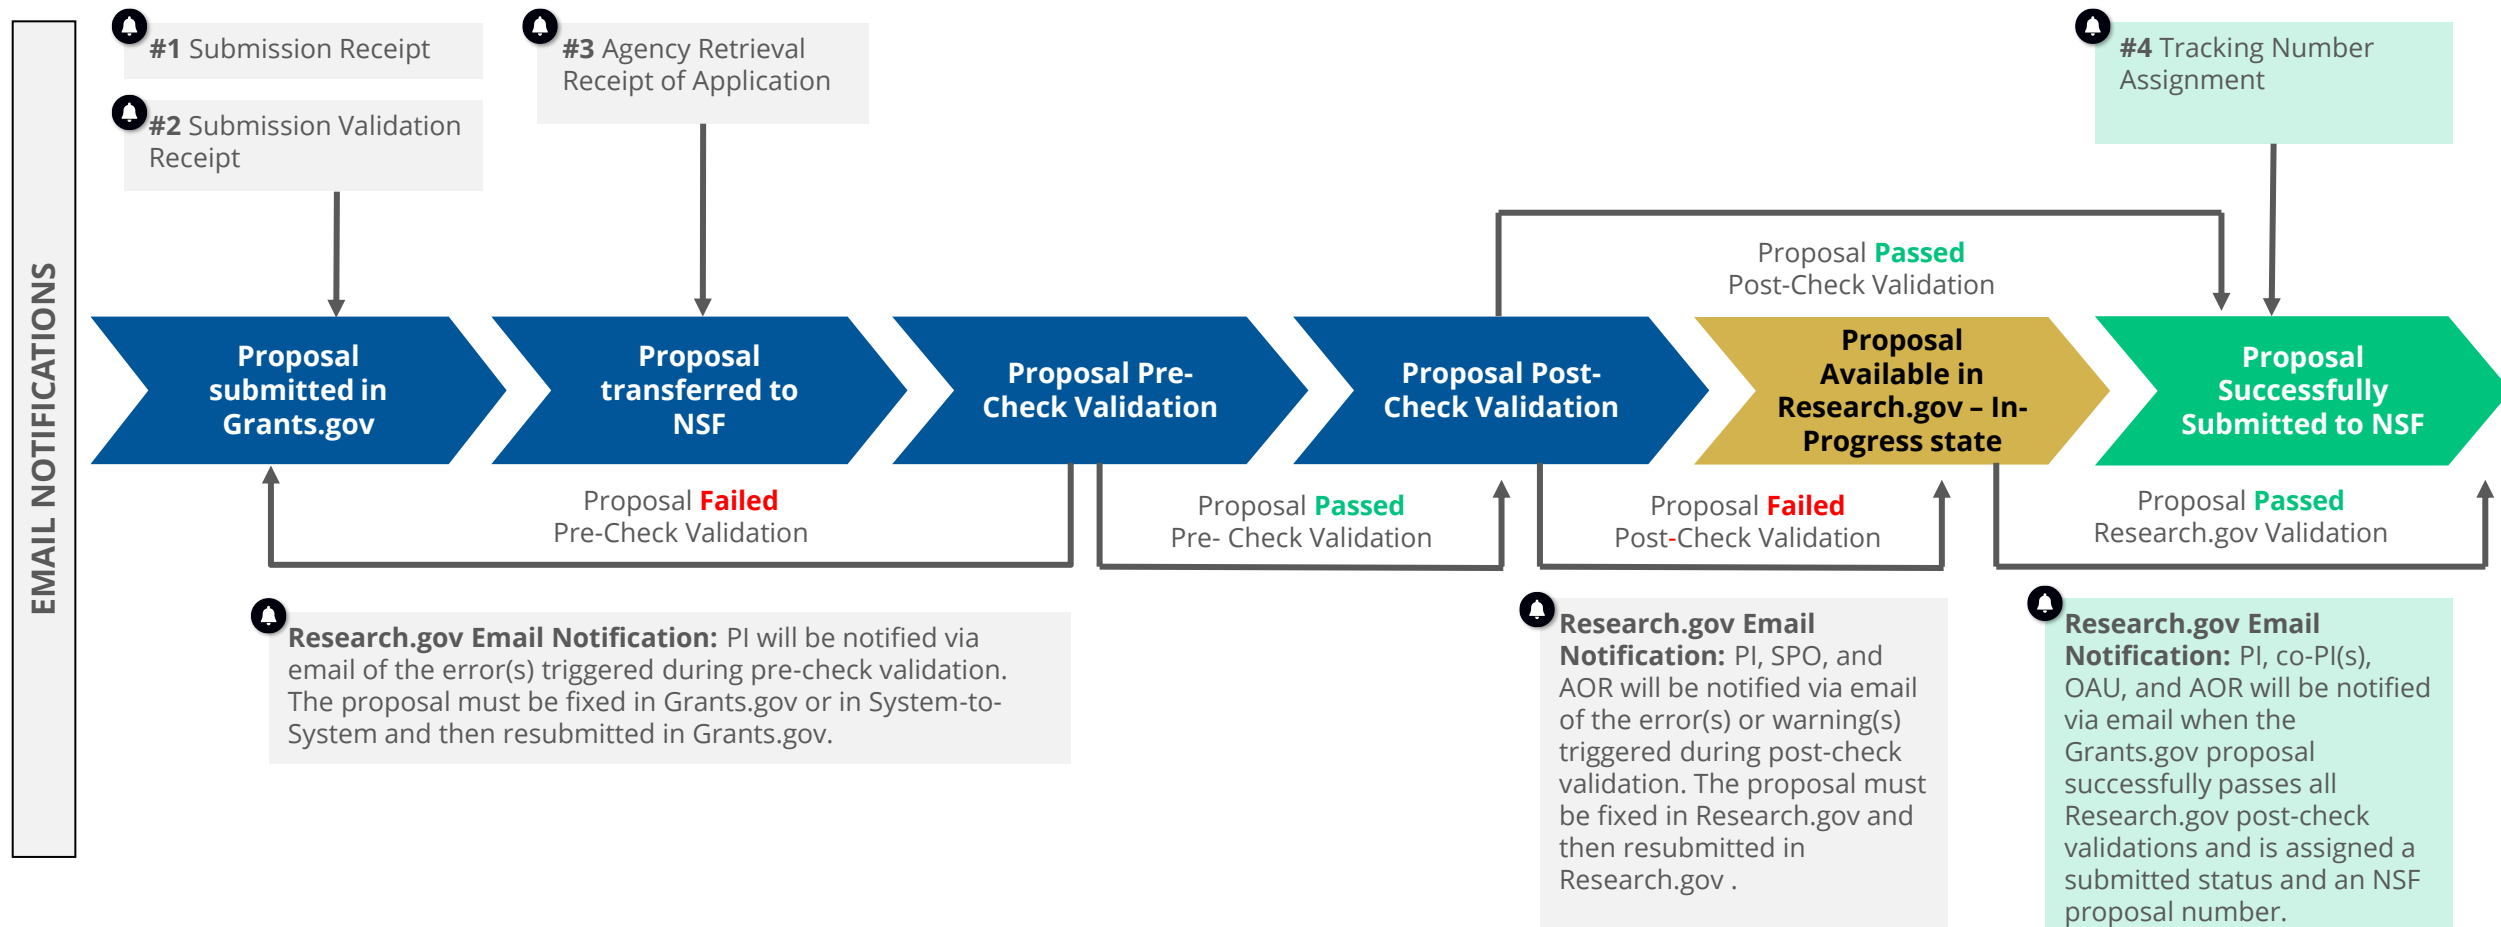

Grant Opportunities for Academic Liaison with Industry (GOALI) proposals

Proposals with subawards

Proposals with budgets of six years or more

Grants.gov Proposal Processing in Research.gov

Grants.gov Maintenance Calendar

How Proposers Check Submitted Proposal Status in Research.gov

How Proposers Check Submitted Proposal Status in Research.gov

1

Within 24 hours of proposal submission in Research.gov, the proposal will be listed on the Research.gov Proposal Status page

2

Proposers can access the Proposal Status page using the Proposal Status link under Proposals on the Research.gov homepage after signing in

3

If proposers do not see a submitted proposal listed on the Proposal Status page after 24 hours, the proposer should submit a request at <https://now.nsf.gov/research> for assistance. The NSF IT Service Desk is available from 7:00 AM to 9:00 PM ET Monday - Friday except federal holidays or email to rgov@nsf.gov

4

In addition, **proposal reviews** and if applicable, the **panel summary**, **context statement**, and **site visit report** will be available on the Proposal Status page using the Proposal Status link

How to Get Help & IT Service Desk Reminders

IT Service Desk Reminders

NSF IT Service Desk

For IT system-related and technical questions, please contact the NSF IT Service Desk

- ▶ **Submit** a request at <https://now.nsf.gov/research>
- ▶ **Email** the NSF IT Service Desk at rgov@nsf.gov

Hours: 7:00 AM – 9:00 PM ET, Monday through Friday (except federal holidays)

NIH Service Desk

For [SciENcv](#) technical questions related to Biographical Sketch and Current and Pending (Other) Support documents, please contact the National Institutes of Health (NIH) Help Desk

- ▶ **Email** the NIH Help Desk at NLMSciencv@mail.nih.gov
- ▶ **Create** a ticket <https://support.nlm.nih.gov/support/create-case/>

Hours: 7:30 AM – 5:30 PM ET, Monday through Friday (except federal holidays)
The NIH Help Desk cannot be reached by telephone

Program Specific Questions

For program-specific questions, please contact (703) 292-8804 or PESOSE@nsf.gov.

Keep Track of Your Tickets

Keep track of your NSF IT Service Desk ticket number and save all emails to/from the NSF IT Service Desk about your issue

- ▶ If you email the NSF IT Service Desk, **it could take more than one business day** for a ticket number depending on NSF IT Service Desk volume
- ▶ Some issues do not have quick turnaround times to resolve. **Do not wait until the September 1 deadline** to request NSF account reconciliation

Some issues do not have quick turnaround times to resolve. **Please do not wait until the September 1 deadline** to request NSF account reconciliation

NSF IT Service Desk Tips

When communicating with ITSD, inform them you are applying for PESOSE due Tuesday, September 1, 2026

This gives the IT service desk context for the time needed to resolve your ticket

Provide FULL screenshots or screen recordings of any web pages before and after the error

Furnishing ITSD with as much relevant information as possible will help streamline the ticket resolution process.

Keep track of your NSF IT Service Desk ticket number and save all emails to/from the NSF IT Service Desk about your issue

If you email the NSF IT Service Desk, it could take more than one business day for a ticket number depending on if you emailed outside of business hours or NSF IT Service Desk volume

Keep in mind July is NSF's busiest proposal month – meaning there will be a higher volume of proposals and longer turnaround times.

Please do not wait until the September 1 deadline to request NSF account reconciliation

System Maintenance Outages

NSF performs regular system maintenance over the weekends which **may** impact services

Typical maintenance outage window is Friday night to Saturday morning
Please review the advisories at the top of on the [Research.gov](https://www.research.gov) homepage prior to the weekend for outage hours and details

Maintenance will occur the weekend before the September 1st deadline—*plan accordingly!*

Maintenance on the night of Friday, August 28 with Research.gov outages expected until the morning (typically 8:00 a.m.) of Saturday, August 29
Sometimes the system outage windows must be extended due to unforeseen circumstances

Key Milestone Summary – *Proposal Submission*

Suggested # of Days Before Deadline	Suggested Date	Milestone or Action
10 business days	Tuesday, August 18, 2026	✓ Organization completes resolution of any SAM.gov certification issues and confirms SAM registration and UEI are active
 (Research.gov Maintenance Outage Window: August 21 10 p.m. – August 22 8 a.m. (check posted advisory for specific outage window))		
3 business days	Thursday, August 27, 2026	✓ Submit PESOSE proposal through Research.gov
 (Research.gov Maintenance Outage Window: August 28 10 p.m. – August 29 8 a.m. (check posted advisory for specific outage window))		
0 business days	Tuesday, September 1, 2026 (5:00 p.m. submitting organization's local time)	✓ Proposals are due by 5:00 p.m. submitting organization's local time. Proposals submitted after the deadline will not be accepted or will be returned without review.

Information Resources & Contacts for Questions

Research.gov Help and Training Resources

Search our FAQs: <https://now.nsf.gov/research>

The screenshot shows the NSF IT Service Desk website. The browser address bar displays `now.nsf.gov/research`. The page header includes the NSF logo and the text "NSF IT Service Desk". Below the header, a search bar is centered with the text "How Can We Help You Today?". The main content area is divided into three columns: "Most Viewed", "Featured", and "Most Useful". Each column contains a list of articles with titles, update dates, view counts, and star ratings.
