Welcome Postdocs!

From Postdoc to Principal Investigator: NSF's Division of Integrative Organismal Systems (IOS) Virtual Colloquium

Colloquium Aims

- Highlight research and broader impacts of up-and-coming scientists
- Showcase the breadth of IOS science
- Help postdocs prepare for the career transition to principal investigators (PIs)
- Provide an overview of IOS and career-stage relevant funding opportunities
- Convey key insights on engaging with NSF, BIO, & IOS, including proposal preparation, review and reaching out to Program Directors
- Initiate opportunities to engage with IOS Program Directors and leadership

Welcome Postdocs!

Housekeeping From Postdoc to Principal Investigator: NSF's Division of Integrative Organismal Systems (IOS) Virtual Colloquium

Housekeeping

- We encourage asking questions! Use the Zoom Q&A box.
- Wed and Thurs have opportunities for conversational Q&A sessions with our Program Directors.
 - Session links will be posted in Zoom chat.
 - **Don't forget to return to this main Zoom webinar afterwards on Wed.**
- This main webinar will be open during the Q&A Sessions to meet our Deputy Director (Wed) and for general questions (Thurs).
- Our ASL interpreters will remain available in this main webinar.

Program Director presentation slides will be posted on our IOS blog.
