

National Science Foundation

Request for review and correction of information under Section 515

In accordance with Section 515 of Public Law 106-554, codified at 44 U.S.C. § 3516, note, the U.S. National Science Foundation (NSF) has developed mechanisms to allow affected persons to seek and to obtain, where appropriate, correction of information disseminated by NSF.

To seek a correction under Section 515 of information disseminated by the U.S. National Science Foundation, individuals should follow the procedure described at <https://new.nsf.gov/policies/information-quality>. (To amend information about you that is covered under the "Privacy Act," you must follow the applicable "Privacy Act" procedure (see 45 CFR 613.4)). The section below provides a method for submitting a Section 515 request.

Publication / report title
(Include date and publication
number, if any):

If found on our website, please
indicate webpage address
(URL):

Describe the specific
information you believe needs
correction:

Provide the text of the
"corrected" information as you
believe it should read:

Describe why you believe the
information needs correction
(Cite or provide relevant
documentation that supports
the need for correction):

Describe why you believe the
information, for which you are
seeking correction, does not
comply with the [information
quality guidelines issued by
NSF](#):

Describe how you are using and are affected by, i.e., how you are hurt by or would benefit from, the information you believe should be corrected:

Name:

Organizational affiliation (if any):

Have you previously contacted anyone at NSF about this?

Yes No
If yes, please name _____

How would you like us to respond to you:

Mail Fax
Email

Mailing address:

Email address:

Fax number:

May we contact you by phone for clarification?

Yes
No

If yes, please enter phone number:

Print this page if you wish a printed copy of your submittal.
