

National Aeronautics and Space Administration
Research Terms and Conditions
Agency Specific Requirements
November 12, 2020

I. Awards Covered by the Research Terms and Conditions

The research terms and conditions apply to all new research and research-related grant & cooperative agreements awards and amendments to awards issued on or after November 12, 2020 under 2 CFR 1800 (NASA adoption of 2 CFR 200). Applicability of the research terms and conditions will be indicated on the cover sheet of the award notice.

II. Prior Approval Requirements in the Research Terms and Conditions

The recipient must obtain written approval from NASA as specified in the Research Terms and Conditions Prior Approval Matrix. Unless otherwise specified in the award notice, no additional prior approvals beyond those specified in the Prior Approval Matrix are required.

III. Categories of Costs Aside from Those Identified in Subpart E of the Uniform Guidance that are Unallowable as Direct Charges

The allowability of direct costs not specifically covered by the provisions of 2 CFR 200, Subpart E shall be in accordance with 2 CFR 1800, the NASA Grant and Cooperative Agreement Manual (GCAM), and the NASA Notice of Funding Opportunity (NOFO).

IV. Contact Information for Technical Matters

Questions regarding technical matters should be referred to the Technical Officer cited on the cover page of the award notice.

V. Contact Information for Administrative Matters

Questions regarding administrative matters should be referred to the Grants Administrator cited on the cover page of the award notice.

VI. Contact Information for Intellectual Property

Questions regarding intellectual property should be referred to either the Patent Counsel Office or the New Technology Office. Points of contact for these offices can be obtained from the award's Technical Officer.

VII. Other Agency Specific Requirements

All NASA terms and conditions can be found in Appendix D and Appendix E of the GCAM. Any program-specific terms and conditions will be indicated in the NASA NOFO and the award notice.

VIII. Revised Budget Requirements

Revised budgets should be submitted in the same format as the original budget submission. Questions on budget format and content should be directed to the Grant Administrator indicated on the cover page of the award notice.

IX. Technical Reporting

Technical reporting requirements are addressed in the applicable term and condition found in the GCAM Appendix D3 *Technical Publications and Reports* and in Appendix F *Required Publications and Reports*. Any additional requirements will be indicated in the NASA NOFO and the award notice.

X. Financial Reporting

Financial reporting requirements are addressed in the applicable term and condition found in the GCAM Appendix D8 *Financial Management* and in Appendix F *Required Publications and Reports*. Any additional requirements will be indicated in the NASA Funding Announcement and the award notice.

XI. Reporting Requirements Regarding Findings of Harassment, Sexual Harassment, Other Forms of Harassment, or Sexual Assault

The Principal Investigator (PI) and any Co-Investigator(s) (Co-I) identified on a NASA award are in a position of trust. These individuals must comport themselves in a responsible and accountable manner during the award period of performance, whether at the recipient's institution, on-line, or at locales such as field sites, facilities, or conferences/workshops. Above all, NASA wishes to assure the safety, integrity, and excellence of the programs and activities it funds.

For purposes of this term and condition, the following definitions apply:

Administrative Leave/ Administrative Action: Any temporary/ interim suspension or permanent removal of the PI or Co-I, or any administrative action imposed on the PI or Co-I by the recipient under organizational policies or codes of conduct, statutes, regulations, or executive orders, relating to activities, including but not limited to the following: teaching, advising, mentoring, research, management/ administrative duties, or presence on campus.

Finding/Determination: The final disposition of a matter involving sexual harassment or other form of harassment under organizational policies and processes, to include the exhaustion of permissible appeals exercised by the PI or Co-I, or a conviction of a sexual offense in a criminal court of law.

Other Forms of Harassment: Non-gender or non-sex-based harassment of individuals protected under federal civil rights laws, as set forth in organizational policies or codes of conduct, statutes, regulations, or executive orders.

Sexual harassment: May include but is not limited to gender or sex-based harassment, unwelcome

sexual attention, sexual coercion, or creating a hostile environment, as set forth in organizational policies or codes of conduct, statutes, regulations, or executive orders.

The recipient is required to report to NASA: (1) Any finding/determination regarding the PI or any Co-I¹ that demonstrates a violation of the recipient's policies or codes of conduct, relating to sexual harassment, other forms of harassment, or sexual assault; and/or (2) if the PI or any Co-I is placed on administrative leave or if any administrative action has been imposed on the PI or any Co-I by the recipient relating to any finding/determination or an investigation of an alleged violation of the recipient's policies or codes of conduct, statutes, regulations, or executive orders relating to sexual harassment, other forms of harassment, or sexual assault.² Such reporting must be submitted by the Authorized Organizational Representative (AOR) to NASA's Office of Diversity and Equal Opportunity at <https://missionstem.nasa.gov/term-condition-institutional-harassment-discr.html> within 10 business days from the date of the finding/determination, or the date of the placement of a PI or Co-I by the recipient on administrative leave or the imposition of an administrative action.³

Recipient agrees to insert the substance of this term and condition in any subaward/subcontract involving a co-investigator. Recipient will be responsible for ensuring that all reports, including those related to co-investigators, comply with this term and condition.

Each report must include the following information:

- NASA Award Number;
- Name of PI or Co-I being reported;⁴
- Type of Report: Select one of the following:
 - Finding/Determination that the reported individual has been found to have violated the recipient's policies or codes of conduct, statutes, regulations, or executive orders relating to sexual harassment, other forms of harassment, or sexual assault; *or*
 - Placement by the recipient of the reported individual on administrative leave or the imposition of any administrative action on the PI or any Co-I by the recipient relating to any finding/determination, or an investigation of an alleged violation of the recipient's policies or codes of conduct, statutes, regulations, or executive orders relating to sexual harassment, other forms of harassment, or sexual assault.

¹ If a Co-I is affiliated with a subrecipient organization, the AOR of the subrecipient must provide the requisite information directly to NASA and to the recipient. The subrecipient must act in accordance with Title 2 of the Code of Federal Regulations, Section 200.331, Requirements for Pass-Through Entities.

² Recipient findings/determinations and placement of a PI or Co-I on administrative leave or the imposition of an administrative action must be conducted in accordance with organizational policies and processes. They also must be conducted in accordance with federal laws, regulations, and executive orders.

³ Such report must be provided regardless of whether the behavior leading to the finding/determination, or placement on administrative leave, or the imposition of an administrative action occurred while the PI or Co-I was carrying out award activities.

⁴ Only the identification of the PI or Co-I is required. Personally identifiable information regarding any complainants or other individuals involved in the matter must not be included in the report. In the rare circumstance that information regarding a PI or Co-I is subject to the Family Educational and Privacy Act, 20 U.S.C. § 1232g and its implementing regulations, 35 C.F.R. Part 99, the recipient shall comply with those requirements.

The recipient must also provide:

- A description of the finding/determination and action(s) taken, if any; and/or
- The reason(s) for, and conditions of placement of the PI or any Co-I on administrative action or administrative leave.

The recipient, at any time, may propose a substitute investigator if it determines the PI or any Co-I may not be able to carry out the funded project or activity and/or abide by the award terms and conditions.

In reviewing the report, NASA will consider, at a minimum, the following factors:

- a. The safety and security of personnel supported by the NASA award;
- b. The overall impact of the NASA-funded activity;
- c. The continued advancement of taxpayer-funded investments in science and scientists; and
- d. Whether the recipient has taken appropriate action(s) to ensure the continuity of science and that continued progress under the funded project can be made.

Upon receipt and review of the information provided in the report, NASA will consult with the AOR, or designee. Based on the results of this review and consultation, the Agency may, if necessary and in accordance with 2 CFR 200.338, assert its programmatic stewardship responsibilities and oversight authority to initiate the substitution or removal of the PI or any Co-I, reduce the award funding amount, or where neither of those previous options is available or adequate, to suspend or terminate the award. Other personnel supported by a NASA award must likewise remain in full compliance with the recipient's policies or codes of conduct, statutes, regulations or executive orders relating to sexual harassment, other forms of harassment, or sexual assault. With regard to any personnel not in compliance, the recipient must make appropriate arrangements to ensure the safety and security of other award personnel and the continued progress of the funded project. Notification of these actions is not required under this term and condition.

Other personnel supported by a NASA award must likewise remain in full compliance with awardee policies or codes of conduct, statutes, regulations, or executive orders relating to sexual harassment, other forms of harassment, or sexual assault. With regard to any personnel not in compliance, the awardee must make appropriate arrangements to ensure the safety and security of other award personnel and the continued progress of the funded project. Notification of these actions is not required under this term and condition.

XII. Additional Documentation Besides Progress Reports Needed to Trigger Incremental Funding

Unless specified in the award notice, no additional documentation is required to trigger award of the next increment of funding.

XIII. NASA Resources

All grant-related regulations and policy including 2 CFR 1800 and the GCAM can be found at the NASA Grants and Cooperative Agreements Home Page:
