

TECHNICAL CORRECTIONS TO THE RESEARCH TERMS AND CONDITIONS OVERLAY TO 2 CFR §200

A few non-substantive technical corrections were made to the Research Terms and Conditions Overlay to 2 CFR §200. The updated Overlay **does not contain any new requirements or policies that were not already addressed by the previous version** that was in effect on November 12, 2020.

The technical corrections were made to maintain consistency throughout the document by including the full citations for the following sections of the *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*:

- §200.407 Prior written approval;
- §200.430 Compensation – personal services;
- §200.439 Equipment and other capital expenditures; and
- §200.447 Insurance and Indemnification.
